Subject: Checker Road traffic/ excessive speeds

I'm writing this letter as a concerned resident in the Brookstone development on Checker Road, Long Grove. With added construction on Lake Cook Road, we have seen a tremendous increase with traffic on Checker Road. Not only is there an increase in traffic, but we also have speeding and even more concerning, dangerous passing of vehicles on a narrow roadway. I can tell you a m and p m pick up of kids at the bus stop is particularly dangerous! Any mitigating steps to curtail this is greatly appreciated. Speed bumps, caution signals and other considerations are welcome. Current state is unacceptable. Unfortunately, I hope it doesn't take a tragic incident to be a catalyst for action.

Thanks in advance,
Keith and Rachel Sanders
