Email gjackson@longgroveil.gov
3110 Old McHenry Road, Long Grove, IL 60047

“The mission of Long Grove’s municipal government is to deliver public goods and services efficiently, effectively, and equitably, never compromising the public trust or the belief that government should serve a higher purpose. Through collaborative governance, stakeholder engagement and the highest levels of transparency this unit of local government will pursue excellence over mediocrity in all areas of public policy and administration.”

Greg

Unfortunately, I will not be able to attend tonight’s meeting. I would like to provide you with my thoughts on this issue since my home backs up to Schaeffer. The dangers on these roads are due to drivers who are speeding. When I am driving on either of these roads, I notice cars passing me and driving well beyond the posted speed limits. I am all in favor of solutions that would be to force drivers to slow down and limit traffic.
