Subject: Oppose the proposed temple in 4359 IL 22, Long Grove

Dear Michele Schmitke

I am writing to strongly oppose the proposed temple in 4359 IL 22, Long Grove.

I live in North Krueger road which is a beautiful quite neighborhood. It is a "Long Grove" type living. Adding the temple will destroy the whole living environment, which my neighbors and I enjoy on a daily basis.

This temple will force residential people to be surrounded by something they hate every single day.

I would love to join the hearing in person. But due to my schedule, I will be not able to make it.

Please consider the significant impact to the neighborhood and residence of Long Grove.

I ask you to oppose the special use permit application for in 4359 IL 22, Long Grove.

Regards
Yu Tang
