Subject: Public Comment for the Village Board meeting scheduled for 01/25/2022
Date: Tuesday, January 25, 2022 6:15:23 PM

I am happy to see there's been progress made on the dangerous cut-through traffic on Checker Rd. I would like to know when the board plans on a vote or action on any of the proposed calming options. Further, if there's push back from residents along Checker Rd, I would like to see a viable alternative proposed so that we can have a safer road.
