

Connect to a Dynamic Lake County Marketplace

Since the 1800's, Long Grove has been an environmentally conscious island amidst Chicago's suburbs. A place to breathe easy, where a unique, colorful shopping district is walkable to the regional, upscale grocer, Sunset Foods and national retailers such as Starbucks, CVS, and Sherwin Williams. The Village invested \$9 million in a town-wide infrastructure plan, upgrading infrastructure that includes new roads, sewers, lighting, public water and sidewalks.
