Opening Day in Long Grove

Get ready for the restart. Learn ways to publicize your business. Jody Grimaldi will give you ideas on how to jump start your business engine.

Jody Grimaldi has been helping businesses propel their messages and generate publicity for 20 years. Specializing in media relations, Grimaldi Public Relations services an exclusive list of accounts within the hospitality, entertainment and retail industries - including the Historic Downtown Long Grove Business Association. Prior to launching Grimaldi Public Relations, a boutique consultancy based in Chicagoland, Jody held corporate PR positions in-house for three global brands: McDonald's Worldwide, Hilton Corporation and Playboy Enterprises - cutting his teeth under the tutelage of the magazine's iconic late founder, Hugh Hefner.

Jody's primary objective for clients is to raise awareness and shape perception through the generation of earned media. In concert with other marketing initiatives, Grimaldi Public Relations can help build brand, develop customer base, educate consumers, and further legitimize any business.

How to Maximize/Leverage Digital Marketing in the Overall Marketing Efforts of a Business

John Edmundson, a principal at InterEdge Marketing, will discuss how to shape your internet presence.

InterEdge Marketing provides B2B companies with online and offline marketing services. Utilizing methods include website optimization, content marketing, social media strategies, direct marketing and lead nurturing, the company helps organizations expand their audience, generate additional leads, increase conversions and drive revenue.

You may not have a web strategy but buyers do. When they start the purchasing process, it starts with research online. In fact, 71% start with research online and 89% use search when making a purchase decision. They look at your website, blogs and social media to gather information.

Content solutions should engage, educate and nurture your audience.

Content is the vehicle that provides consumers the education, industry trends, product comparisons and other valuable information leading to a purchase decision.
