Re: Robert Parker Coffin Road Closure for  
Covered Bridge Repair  
Village of Long Grove

www.gha-engineers.com

Dear Village of Long Grove Business Owners, Tenants and Residents:

On behalf of the Village of Long Grove, we would like to notify you that Carmichael Construction will begin the repairs to the damaged timber cover on Monday, September 28, 2020. The work is scheduled to take two days, through Tuesday, September 29, 2020. This work is being performed as a result of recent accidents.

In order to complete the work safely and efficiently, the covered bridge on Robert Parker Coffin Road will be closed to through traffic during the working hours of 7:00 AM to 3:00 PM. The scheduled closures are as follows:

- Monday, September 28, 2020 from 7:00 AM to 3:00 PM
- Tuesday, September 29, 2020 from 7:00 AM to 3:00 PM

\* The bridge will be open to traffic during the evening hours.

Signage will be placed to alert motorists of the bridge closure, with signage at the bridge and also the intersection of Robert Parker Coffin Road and Route 53 and the intersection of Robert Parker Coffin Road and Old McHenry Road. The downtown businesses will remain open during construction; signage will be placed to alert merchants that stores are open.

We recognize this will be an inconvenience to you. We ask for your patience during these repairs. If you should have any questions concerning this work, please contact myself at 847-821-6231 or you can contact the Village Hall at 847-634-9440.

Sincerely,  
Gewalt Hamilton Associates, Inc.

Geoffrey L. Perry, P.E.  
Village Engineer
