Sealed proposals for the furnishing or delivering & installing materials required in the construction/maintenance of the above Section will be received and at that time publicly opened and read at the office of The County Engineer of Lake County

600 West Winchester Road, Libertyville, Illinois 60048 until 10:00 A.M. on April 14, 2020
Address Time Date

- 1. Plans and proposal forms will be available online at https://www.lakecountypurchasingportal.com/ or at the office of the Lake County Division of Transportation, 600 West Winchester Road, Libertyville, IL 60048
2. Prequalification. If checked, each bidder shall include a completed "Affidavit of Availability" (Form BC 57), in their proposal, showing all uncompleted contracts awarded to them and all low bids pending award for Federal, State, County, Municipal and private work.
3. The Awarding Authority reserves the right to waive technicalities and to reject any or all proposals as provided in BLRS Special Provision for Bidding Requirements and Conditions for Material Proposals.
4. A proposal guaranty in the proper amount, as specified in BLRS Special Provision for Bidding Requirements and Conditions for Material Proposals, will be required. Bid Bonds will be allowed as a proposal guaranty.
5. The successful bidder at the time of execution of the contract will be required to deposit a contract bond for the full amount of the award. When a contract bond is not required, the proposal guaranty check will be held in lieu thereof. Failure on the part of the contractor to deliver the material within the time specified or to do the work specified herein will be considered just cause to forfeit his surety as provided in Article 108.10 of the Standard Specifications.
6. Proposals shall be submitted on forms furnished by the Awarding Authority and shall be enclosed in an envelope endorsed "Material Proposal, Section21-00000-05-GM".

By Order of County Board of Lake County March 19, 2020 Shane E. Schneider, County Engineer
(Awarding Authority) Date (County Engineer/Superintendent of Highways/Municipal Clerk)

Material Proposal or Deliver & Install Proposal

To County Board of Lake County
(Awarding Authority)

If this bid is accepted within 45 days from date of opening, the undersigned agrees to furnish or to deliver & install any or all of the materials, at the quoted unit prices, subject to the following:

- 1. It is understood and agreed that the "Standard Specifications for Road and Bridge Construction", adopted April 1, 2016, and the "Supplemental Specifications and Recurring Special Provisions", adopted January 1, 2020, prepared by the Department of Transportation, shall govern insofar as they may be applied and insofar as they do not conflict with the special provisions and supplemental specifications attached hereto.
2. It is understood that quantities listed are approximate only and that they may be increased or decreased as may be needed to properly complete the improvement within its present limits or extensions thereto, at the unit price stated and that bids will be compared on the basis of the total price bid for each group.
3. Delivery in total or partial shipments as ordered shall be made within the time specified in the special provisions or by the acceptance at the point and in the manner specified in the "Schedule of Prices". If delivery on the job site is specified, it shall mean any place or places on the road designated by the awarding authority or its authorized representative.
4. The contractor and/or local agency performing the actual material placement operations shall be responsible for providing work zone traffic control, unless otherwise specified in this proposal. Such devices shall meet the requirements of and be installed in accordance with applicable provisions of the "Illinois Manual on Uniform Traffic Control Devices" and any referenced Illinois Highway Standards.
5. Each pay item should have a unit price and a total price. If no total price is shown or if there is a discrepancy between the product of the unit price multiplied by the quantity, the unit price shall govern. If a unit price is omitted, the total price will be divided by the quantity in order to establish a unit price. A bid will be declared unacceptable if neither a unit price nor a total price is shown.

Discounts will be allowed for payment as follows: % calendar days: % calendar days.

Discounts will not be considered in determining the low bidder.

Information for the Lake County Division of Transportation facility and other local government facilities is located in the Contact Information and Delivery Location table beginning on page 15 of these special provisions.

DESCRIPTION OF WORK

This work consists of furnishing and delivering bulk rock salt for snow and ice control to the Lake County Division of Transportation and other local units of government.

DIVISION 100. GENERAL REQUIREMENTS AND COVENANTS

SECTION 102 ADVERTISEMENT, BIDDING, AWARD AND CONTRACT EXECUTION (LCDOT)

In order to limit bid proposal math errors, all bids for this material submittal **shall** be submitted using the CBID spreadsheet. The Supplier shall include in their bid proposal a hardcopy CBID printout. Proposals submitted without a hardcopy CBID printout will be rejected as nonresponsive and returned to the Supplier unread. Proposals submitted with a handwritten schedule of items will be rejected as nonresponsive and returned to the Supplier unread. A maximum of five pay items may have legible pen and ink entries/revisions to the unit and extended prices on the CBID printout to accommodate last minute supplier and subcontractor quotes. A legible pen and ink entry/revision to the project total bid will also be allowed.

BID SHEET EXPLANATION: The CBID lists the Lake County Division of Transportation, the Lake County Forest Preserve District and all the local governmental units participating in this bid. The list includes the estimated rock salt quantity for each.

Suppliers will provide three separate unit prices for each government unit.

Unit Price 80% - 120%: Suppliers shall enter the unit price per ton, for ROCK SALT ordered by LCDOT and other participating local governmental units, for a minimum of 80% of the estimated usage to a maximum of 120% of the estimated usage. Lake County, and the other participating local governmental units, have committed to purchase a minimum of 80% of the estimated usage. This unit price is for orders placed for delivery **after November 1, 2020**.

Unit Price 120% - 150%: Suppliers shall enter the unit price per ton, for ROCK SALT ordered by LCDOT, and other participating local governmental units, for a quantity greater than 120% of the estimated usage and not to exceed 150% of the estimated usage. This unit price is for orders placed for delivery **after November 1, 2020**.

Unit Price Early Delivery: Suppliers shall enter the unit price for ROCK SALT per ton, ordered by LCDOT, and other participating local governmental units, for orders placed for delivery between July 15, 2020 and November 1, 2020.

Shared Services: Under the authority of 30 ILCS 525, the Governmental Joint Purchasing Act the unit prices included in the proposal may be offered to other governmental units according to the following:

The purchase of goods and services pursuant to the terms of this Contract shall also be offered for purchases to be made by other governmental units, as authorized by the Governmental Joint Purchasing Act, 30 ILCS 525/0.01, et seq. (the "Act"). All purchases and payments made under the Act shall be made directly by and between each governmental unit and the successful bidder. The bidder agrees that Lake County shall not be responsible in any way for purchase orders or payments made by the other governmental units. The bidder further agrees that all terms and conditions of this Contract shall continue in full force and effect as to the other governmental units during extended terms. The credit or liability of each governmental unit shall remain separate and distinct. Disputes between bidders and governmental units shall be resolved between the immediate parties.

The bidder and the other governmental units may negotiate such other and further terms and conditions to this Contract ("Other Terms") as individual projects may require. To be effective, Other Terms shall be reduced to writing and signed by a duly authorized representative of both the successful bidder and the other governmental unit.

The bidder shall provide the other governmental units with all required documentation set forth in the solicitation including but not limited to: performance and payment bonds, Certificates of Insurance naming the respective governmental unit as an additional insured and certified payrolls to the other governmental unit as required.

Shared Services Bidding: For this project the Lake County Division of Transportation (LCDOT) and other specified local governmental units have joined together to solicit bids for furnishing and delivering rock salt.

The Supplier will be submitting bids for separate contracts – one for each community or unit of government. The Supplier may use the same or different unit prices for each bid.

The Lake County Division of Transportation and the local governmental units individually reserve the right to reject any or all proposals, to waive technicalities, or to advertise for new proposals, if in the judgement of each Awarding Authority, the best interests of the Awarding Authority will be promoted thereby (See LRS7).

Contracts for the LCDOT and LCFPD work will be recommended separately to the Lake County Board and Forest Preserve District Board respectively, and upon award, each will be managed independently. The bid results for the remaining local units of government will be reported to each community. Each local government unit will be independently responsible for awarding; managing; and processing payments for their own contract.

Proposal Guaranty: The Supplier shall submit a Proposal Guaranty according to the requirements of Checksheet LRS 7 *BIDDING REQUIREMENTS AND CONDITIONS FOR MATERIAL PROPOSALS* (included by reference). The bond or check shall be for a minimum of 5 percent of the “Total for Bond Only” (total of all bids) line on the CBID form.

Performance Bond: The Supplier shall within 10 days of the Notice of Award furnish a Performance Bond in an amount equal to 20% of the total bid amount for the Lake County Division of Transportation, executed by a surety company authorized to do business in the State of Illinois, conditioned upon the faithful performance of all covenants and stipulations included in these bid documents and holding good until the completion of the contract to protect Lake County. Additional individual performance bonds may be required by the other participating local governmental units, against inadequate performance per all requirements of the bid documents. The Performance Bond shall remain in effect for one year from the issuance of a Purchase Order or until completion of the contract period, whichever is longer.

ARTICLE 107.27 INSURANCE

The provisions of Article 107.27 of the “Standard Specifications” are not applicable to this proposal.

PREQUALIFICATION

The provision of LRS7 requiring Bidder Prequalification is not applicable to this proposal. Bidders do not need to be prequalified with IDOT. Prospective bidders will need to submit a “Request for Authorization to Bid” by selecting the option on the Lake County Purchasing Portal for the 2021 Patrol I Maintenance – Rock Salt project.

BULK ROCK SALT

Description: This work shall consist of furnishing and delivering bulk rock salt.

Materials: The rock salt shall meet the requirements of AASHTO specification M143, Sodium Chloride Type 1, Grade 1, and the following requirements:

- The rock salt shall not contain more than ½ pound, or less than 35 ppm of Ferric Ferrocyanide or Sodium Ferrocyanide per ton, at the delivery point.
- The maximum moisture content shall not exceed 2.5%.
- The rock salt shall be free flowing, fresh stock.
- Reclaimed or re-crushed rock salt will not be accepted.
- The rock salt shall be free of any foreign material.

Bulk rock salt not meeting the above specifications shall be subject to rejection by Lake County and/or other local governmental units.

General:

- a) Deliveries of rock salt shall be free of any foreign materials e.g. mud, rocks, wood, tarpaulins, etc... Rejected loads will have the cause reported to the Supplier within two working days. Loads contaminated with foreign material will be replaced at the Supplier's expense within five working days.
- b) All salt shall be as lump free as possible. No salt with lumps larger than two inches in diameter will be accepted. Loads with lumps larger than two inches shall be replaced at the Supplier's expense within five working days.
- c) Lake County, and other local governmental units, reserve the right to inspect the Supplier's terminal for product and availability, verifying available quantities and condition sufficient to meet the requirements of these specifications.

Quantities: The quantities shown in this bid are estimated quantities only. The Lake County Division of Transportation and other participating local governmental units agree to purchase at least 80% of the quantities shown. If Lake County and/or the other participating local governmental units, do not utilize or order 80% of their estimated quantity by April 30, 2021 they agree to pay the Supplier for the 80%.

The unordered bulk rock salt shall be kept at a terminal by the Supplier, for delivery by November 1, 2021. This storage shall be handled at no additional charge to Lake County and/or the other participating local governmental units. Payment for the unordered bulk rock salt will be made subject to the provisions of the Local Prompt Payment Act, upon receipt of an invoice dated before November 1, 2021.

Stocking Requirements:

Within 10 days of the notice of award (issuance of purchase order) the Supplier shall submit to Lake County, and the other participating local governmental units, a list of delivery contacts including phone numbers. The Supplier shall also include an emergency contact and phone number for use if the stockpile contact is non-responsive.

Within 30 days of the notice of award (issuance of purchase order) the Supplier shall provide Lake County, and other participating local governmental units, with their salt source and local terminal information.

The Supplier shall have on hand 120% of the required quantity at a local terminal by November 1, 2020.

The Supplier shall have stockpiles of rock salt in Illinois, or near its borders, in sufficient quantities to satisfy contractual requirements.

Such stockpiles shall be near enough to delivery points to allow for timely delivery as required by contractual requirements.

Freezing of waterways and other impacts to delivery shall be reasonably anticipated by the Supplier and are not a cause to claim force majeure.

Ordering:

Orders for bulk rock salt may be placed by Lake County, and/or the other participating local governmental units, with the Supplier by June 1, 2020 with availability by July 15, 2020.

Governmental units may order up to 20% of their annual contracted tonnage in any given week which the Supplier shall deliver within seven working days. Orders for more than 20% will have an extended delivery time of one working day for each additional one percentage point ordered. For example, if a governmental unit orders 25% of their awarded total of 100 Tons, delivery of the first 20 tons, (20%) shall be within seven working days after receipt of order. The remaining 5 tons shall be delivered within twelve working days after receipt of the order.

All order releases shall be delivered to completion, unless mutually agreed upon by Lake County, other participating Local Governmental Units, and the Supplier.

All salt deliveries shall be made with trucks equipped with tailgate dump trailers. All trucks shall be covered with an approved waterproof material.

The Supplier shall be responsible to have the delivery driver inspect the inside of the trailer and confirm that all the salt has been removed from the trailer before leaving the point of delivery.

A delivery ticket shall accompany each delivery. The delivery ticket shall be a certified scale ticket indicating gross, tare, and net weight of each truckload of rock salt. The Supplier shall ensure that all weights and measures shown on the delivery tickets are correct. The Lake County Division of Transportation, and other participating local governmental units, reserve the right to require that delivery trucks be directed to a local scale to check the accuracy of the loads being delivered.

The Supplier shall deliver the ordered quantity within plus or minus 20 tons.

The Supplier shall notify Lake County, and other participating local governmental units, the name of the trucking firm that will be delivering the salt, as well as a contact name, and the address and phone number of said trucking firm.

Delivery: Lake County Division of Transportation rock salt deliveries shall be made to the LCDOT facility at:

600 W. Winchester Road
Libertyville, IL 60048

Rock salt deliveries for the other local governmental units shall be made to listed delivery location for each included herein.

Normally rock salt deliveries shall be made between the hours of 6:30 a.m. and 3:00 p.m., Monday through Friday. Arrangements may be made for deliveries at other hours and on Saturday or Sunday, to maintain a prompt order delivery schedule. These arrangements may be made by contacting the designated point of contact listed in the Contact Information and Delivery Location table included herein.

Orders are generally expected to be received within seven working days from date of order. For an order placed prior to 9:00 A.M. on a given day, that day would be considered as the first working day of the seven day delivery period. For an order placed after 9:00 A.M. on a given day, the day following would be considered as the first working day of the seven day delivery period, or as amended by order guidelines herein.

Term: This contract shall be in effect for a one year period (December 1, 2020 – November 30, 2021). The early delivery period will not be included in the one year duration. Lake County, and other local governmental units, reserve the right to renew this contract, or any part of this contract, for an additional one year period, subject to acceptable performance by the Supplier. At the end of any contract term, Lake County reserves the right to extend this contract for a period of up to 60 days for the purpose of getting a new contract in place. For any year beyond the initial year, this contract is contingent on the appropriation of sufficient funds; no charges shall be assessed for failure of the County to appropriate funds in future contract years

A contract renewal will incorporate the same dates for subsequent years changing only the year of the date i.e. 2020 dates will become 2021 and 2021 dates will become 2022. Lake County, and other participating local governmental units, will issue individual releases for bulk rock salt. For renewal Lake County will provide the Supplier(s) with the 2022 estimated usage for LCDOT, LCFPD and the other participating governmental units, during the month of March 2021. The estimated usage for 2022 will be limited to +/- 25% of the 2021 quantities.

Escalator Provision: The unit price shall remain firm/fixed for the first year. Written requests for price revisions after the first year, shall be submitted at least 60 days in advance of the annual contract period. Requests shall be based upon and include documentation of the actual change in the costs of the components involved in the contract and shall not include overhead and profit. Changes in the contract price shall be made in the amount of the actual change in Supplier cost or the percentage change in the U.S. Average Consumer Price Index for the Midwest Urban - per category "All Items," whichever is less. Surcharges for fuel and/or other costs shall not be allowed. Manufacturer and/or Warehouse Distributor's price sheets or an equivalent document showing the new pricing may be considered sufficient documentation for a price change. **PRICE INCREASES SHALL NOT EXCEED 5.0%, FOR ANY YEAR.** The County reserves the right to reject any price increase and to terminate the contract.

Basis of Payment: This work will be paid for at the contract unit price per ton for ROCK SALT. *The unit price shall include all equipment, labor and materials required to furnish and deliver the rock salt as specified herein. The rock salt shall be bid F.O.B. Destination, with all freight and transportation charges included in the bid price. The term F.O.B. Destination shall mean delivered to a specified location. Any claim for loss or damage shall be between the Supplier and the carriers, movers, riggers, etc., and no additional compensation will be allowed.*

Liquidated Damages: From November 1, 2020 through June 30, 2021, if the Supplier is unable to make delivery within seven working days from the date of order, Lake County, and the other participating local governmental units, shall have the right to retain \$.20 per ton, per working day from the date of the order, as liquidated damages on the undelivered portion of the order.

An order placed prior to 9:00 A.M. on any business day (Monday through Friday, except Holidays) will be considered as the first working day of the seven day delivery period. For orders placed after 9:00 A.M. on a given day, the following day would be considered the first working day of the seven day delivery period.

If 14 working days have elapsed since placement of an order and the Supplier has failed to deliver all or part of the order, Lake County, and/or the other participating local governmental units, shall reserve the right to take action to remedy the failure of Supplier performance without prior notification of such failure. This may include termination of the order and purchase of salt from other sources, or to take action consistent with public safety as needed to continue business. Any or all additional costs may be collected from the Supplier, in addition to any liquidated damages.

SPECIAL PROVISION
FOR
EMPLOYMENT PRACTICES

Effective: January 1, 1999

In addition to all other labor requirements set forth in this proposal and in the Standard Specifications for Road and Bridge Construction, adopted by the Department of Transportation, during the performance of this contract, the Contractor for itself, its assignees, and successors in interest (hereinafter referred to as the "Contractor") agrees as follows:

Selection of Labor. The Contractor shall comply with all Illinois statutes pertaining to the selection of labor.

Equal Employment Opportunity. During the performance of this contract, the Contractor agrees as follows:

- (a) That it will not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, ancestry, age, marital status, physical or mental handicap or unfavorable discharge from military service, and further that it will examine all job classifications to determine if minority persons or women are underutilized and will take appropriate affirmative action to rectify any such underutilization.
- (b) That, if it hires additional employees in order to perform this contract or any portion hereof, it will determine the availability of minorities and women in the area(s) from which it may reasonably recruit and it will hire for each job classification for which employees are hired in such a way that minorities and women are not underutilized.
- (c) That, in all solicitations or advertisements for employees placed by it or on its behalf, it will state that all applicants will be afforded equal opportunity without discrimination because of race, color, religion, sex, national origin, ancestry, age, martial status, physical or mental handicap or unfavorable discharge from military service.

That it will send to each labor organization or representative of workers with which it has or is bound by collective bargaining or other agreement or understanding, a notice advising such labor organization or representative of the Contractor's obligations under the Illinois Human Rights Act and the Department's Rules and Regulations. If any such labor organization or representative fails or refuses to cooperate with the Contractor in its efforts to comply with so such Act and Rules and Regulations, the Contractor will promptly so notify the Illinois Department of Human Rights and the contracting agency and will recruit employees from other sources when necessary to fulfill its obligations thereunder.

CHECK SHEET #LRS11

- (e) That it will submit reports as required by the Department of Human Rights Rules and Regulations, furnish all relevant information as may from time to time be requested by the Department or the contracting agency, and in all respects comply with the Illinois Human Rights Act and the Department's Rules and Regulations.
- (f) That it will permit access to all relevant books, records, accounts and work sites by personnel of the contracting agency Illinois Department of Human Rights for purposes of investigation to ascertain compliance with the Illinois Human Rights Act and the Department's Rules and Regulations.
- (g) That it will include verbatim or by reference the provisions of this clause in every subcontract so that such provisions will be binding upon every such subcontractor. In the same manner as with other provisions of this contract, the Contractor will be liable for compliance with applicable provisions of this clause by all its subcontractors; and further it will promptly notify the contracting agency and the Illinois Department of Human Rights in the event any subcontractor fails or refuses to comply therewith. In addition, the Contractor will not utilize any subcontractor declared by the subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations.
