As a resident of Long Grove since 1997, my family and I are in full support in changing the name of our street to Long Grove Road. It more fully expresses the nature of the road and the destination it achieves. Another possibility is to name it Downtown Long Grove Road which more fully depicts its destination and doesn't interfere with existing roads.

David,

My family and I am in support of the name change to Long Grove Road. You can't imagine how many visitors I have given directions to who are lost after looking online and go to Long Grove Road thinking it is our downtown. We believe the change will be a benefit to all.

Hi Dave and Bill,

For practical reasons, I think it's a good idea to change the name of RPC Road, and it has been talked about for a long time. But, I don't think the bridge should be named after Bob. It's a universal symbol for Long Grove and needn't be defined so narrowly, if at all.

I knew Bob Coffin and adored him and Betty, but please consider honoring his memory in some other way. I'm all for that. I haven't thought that part through and wanted to get this to you ASAP. Please share my comments with all. Thanks.

Always my love and best,

Susan ..

Hi Dave,

For the record, I fully approve of the naming and renaming in regards to the RPC, the bridge and west of the bridge. I hope that this resolution passes.

Thank you,
