Dave,

Please find video link attached. Please share link with board members prior to meeting if possible.

Recreated live individual challenge event video:

Peter,

The changes to the event are up for consideration tomorrow evening. I have shared our communications with the Village Board, if you could please provide the video you referenced that would be helpful. Also, as always, you are welcomed and encouraged to attend the meeting virtually. Please refer to the attached agenda for details.

Thanks,

Dave
