

**INTERGOVERNMENTAL AGREEMENT  
FOR CONTRACT POLICE SERVICES BY AND AMONG THE  
VILLAGE OF LONG GROVE,  
THE COUNTY OF LAKE, AND THE LAKE COUNTY SHERIFF**

THIS INTERGOVERNMENTAL AGREEMENT is made and entered into by and between the County of Lake, a body politic and corporate, hereinafter referred to as the "COUNTY", the Sheriff of Lake County, Illinois, a County Officer having those duties, powers, and functions as provided by law and county ordinance, hereinafter referred to as the "SHERIFF", and the Village of Long Grove, Illinois, a municipal corporation located within the boundaries of Lake County, Illinois, hereinafter referred to as the "VILLAGE":

WHEREAS, it has been determined by the COUNTY, the SHERIFF, and by the Corporate Authorities of the Village, respectively, that this Agreement is in the best interests of each of the signatory parties; and

WHEREAS, the COUNTY and the VILLAGE are each authorized by the terms and provisions of the Illinois Intergovernmental Cooperation Act (5 ILCS 220/5) to enter into intergovernmental agreements, ventures, and undertakings to perform jointly any governmental purpose or undertaking any of them could do singularly except where specifically or expressly prohibited by law; and

WHEREAS, the VILLAGE has determined that there presently exists a need for ongoing and cost-effective police services in the VILLAGE; and

WHEREAS, the SHERIFF is willing to provide police services to the VILLAGE for a fee; and

WHEREAS, the VILLAGE is desirous of renewing its agreement with the COUNTY and the SHERIFF to obtain police services in and for the VILLAGE, as set forth in this Agreement;

NOW, THEREFORE, in consideration of the foregoing and the covenants contained herein, the parties hereby agree that the SHERIFF shall provide additional police services for the VILLAGE subject to the following terms and conditions:

1. The SHERIFF and COUNTY shall:
  - A. Provide one (1) deputy and one (1) squad car to provide police services exclusively within the limits of the VILLAGE for two (2) eight and one-half (8.50) hour shifts (6:30 a.m. to 11:00 p.m.) 17 hours per day, every day of the year, during the term of this Agreement. Intermittently, the VILLAGE may make a written request to the SHERIFF seeking a temporary change in shift coverage from those referenced above. Approval of any request and the length of time said request may continue is dependent upon available manpower as determined by the SHERIFF. If the request comes within the scope of special events or other activities within the VILLAGE as stated in this Section 1, paragraph Q, the request will be denied. Each deputy provides eight and one-half (8.5) personnel hours per shift and two shifts will be provided daily. The additional one-half

(0.5) personnel hour between shifts provide an overlap of services to facilitate shift changes;

- B. Police services include, at a minimum, routine patrols, enforcement of state statutes, as well as COUNTY and VILLAGE ordinances, and attendance upon nuisance complaints, but do not include calls concerning animals unless the SHERIFF's deputy on duty believes that an animal poses a danger to the public health or safety such as a rabid animal;
- C. Bill the VILLAGE on a monthly basis for the cost of providing police service, as set forth in Section 2 of this Agreement;
  
- D. Establish and maintain a records system for processing data relative to the incident of arrests, reports of crime, and disposition of cases which shall be reported to the VILLAGE on a monthly basis. The SHERIFF will work with the VILLAGE to provide the Village crime and incident reporting dependent on CAD capabilities with the frequency and formatting to be determined at a later date;
- E. Respond to emergency law enforcement calls for assistance by the residents of the VILLAGE, where persons or property may be subject to danger or immediate harm. If the Deputy determines that he or she will need additional assistance in order to respond to a call for assistance, efforts will be made to contact other law enforcement

agencies as the deputy deems appropriate, per the SHERIFF'S standard operating procedures;

- F. Designate to the VILLAGE a contact person for receiving queries, complaints, and commendations for services performed under this Agreement;
- G. Determine the level of services to be provided to the VILLAGE in the event the SHERIFF should experience a work slow-down, work stoppage, or strike during the term of this Agreement, with monthly billing to be adjusted accordingly;
- H. Pay to the VILLAGE all fines and forfeitures for offenses committed within the VILLAGE when those offenses have been prosecuted by the VILLAGE and enforced by the SHERIFF during the execution of this contractual service, and the SHERIFF shall cooperate in the prosecution thereof. Except when unavailable due to a bona fide emergency, deputies shall attend all required court hearings to prosecute offenses for which citations are issued during the execution of this Agreement; such attendance shall not affect the coverage to be provided pursuant to Section 1.A of this Agreement. If applicable, all fines and forfeitures resulting from offenses within the VILLAGE that do not occur during performance of this contractual service or are not prosecuted by the VILLAGE shall be paid to the COUNTY;

- I. The SHERIFF shall have permission to access the VILLAGE'S disbursement reports generated by the Clerk of the Circuit Court;
- J. Provide the Village Prosecutor with legible copies of the following records: citations; police reports; crash reports; police reports for driving under the influence (including abstract); police reports for driving while license revoked (including abstract); police reports for driving while license suspended (including abstract); and any non-traffic ordinance violations which were issued in the VILLAGE by the SHERIFF pursuant to the terms of this Agreement. The records will be sent to the Village Prosecutor as soon as they have been completed and/or received by the SHERIFF. If the Village Prosecutor has not received the records as of seven (7) days prior to the court date, then the Village Prosecutor will send a follow-up request to the SHERIFF'S records division and an attempt will be made to expedite the transfer of the records to the Village Prosecutor. This provision only applies to records of the SHERIFF that were issued or created as the direct result of the SHERIFF'S contractual services under this Agreement;
- K. Provide written or oral notice promptly to the Village Manager of any serious public safety incidences outside the scope of the normal and customary activities within the Village, per the Sheriff's Department standard operating procedures;

- L. Retain ownership of any and all equipment purchased by the SHERIFF or the COUNTY;
- M. The COUNTY and the SHERIFF shall cause the services of the Northern Illinois Crime Lab (NICL) to be provided at no additional cost to the VILLAGE;
- N. Attend monthly meetings with Village officials and attend such other meetings as the parties deem desirable;
  
- O. Maintain an active community-oriented policing program emphasizing in-person contact between SHERIFF's deputies and VILLAGE residents to share information and establish policing needs. The results of these community contacts shall be documented and shared with the Village Manager on a monthly basis;
- P. Make the final and conclusive determination in the event of a dispute between the VILLAGE and the SHERIFF as to the extent of the duties and functions, the standards of performance, and level or manner of performance pertaining to the operation of this Agreement, provided the same are consistent with customary and good police practices;

Q. At the VILLAGE’s request, the SHERIFF may provide additional patrol services, traffic enforcement, security for special events and other activities within the VILLAGE, at the County Board approved special duty rate;

P. The SHERIFF shall remain, at all times, the sole employer of the deputies who are assigned to perform services within the VILLAGE pursuant to this Agreement;

2. The VILLAGE shall:

A. Pay to the SHERIFF an annual fee, in monthly installments, payable on the fifteenth (15th) day of each month, starting with the monthly installment due on the fifteenth (15<sup>th</sup>) day of May:

	<b>Fiscal Year</b>		
	<b>May 2021</b>	<b>May 2022</b>	<b>May 2023</b>

<b>Which represents a Monthly Payment of</b>	<b>\$58,161.32</b>	<b>\$59,061.53</b>	<b>\$60,140.30</b>

B. Notify the SHERIFF in writing of any request for an increase in the number of patrol hours and obtain the approval of the SHERIFF and COUNTY prior to the effective date of any increased service. The cost for each eight and one-half additional

hours of increased patrol services provided the VILLAGE for each day of the year shall be per the agreed upon monthly rate as referenced above in Section 2 (A);

- C. Maintain orientation materials for the citizens of the VILLAGE concerning the police services in coordination with the SHERIFF;
- D. Maintain a law enforcement headquarters within the VILLAGE should both parties agree that it becomes necessary, and the VILLAGE shall furnish at its own expense all necessary office space, furniture and furnishings, office supplies, janitor service, telephone (not herein provided for), lights, water, other utilities, and any other associated costs. It is expressly further understood that in the event such local office is maintained in the VILLAGE, such quarters may be used by the SHERIFF in connection with the provision of police services pursuant to this Agreement, but it shall not be necessary for the Village to provide for lock-up facilities;
- E. Provide to the SHERIFF appropriate citation books and/or forms for the enforcement of VILLAGE ordinances;
- F. Provide the SHERIFF, from time to time, with a listing of such VILLAGE ordinances, which the SHERIFF shall enforce during the term of this Agreement; and
- G. Hereby authorize the SHERIFF to enforce Village ordinances within the VILLAGE, and the SHERIFF acknowledges and
