Award Category Submitted:	Public Works Project of the Year Award - Historical Restoration/Preservation (Less than \$5M)
Nominee: (as printed on plaque)	Village of Long Grove
Title of Project: (if applicable)	Robert Parker Coffin Road Bridge Rehabilitation
150 word summary of award application highlights: (this will be used for the press release)	The Village of Long Grove completed the rehabilitation of its historic covered bridge in 2020. The bridge was initially constructed in 1906 and after 110+ years of use, a major rehabilitation was needed. The project consisted of the replacement of the abutments, preservation of the bridge superstructure and spot repair of the superstructure. This project preserves the iconic structure for enjoyment by future generations.
