**To: Gregory Jackson, Village Manager**

**From: Denise Rosenquist, Director of Operations**

**Date: March 11, 2022**

**Subject: Draft Proposed FY 21-22 Budget Amendments**

---

**Actions Requested:**

Staff recommends the following *FY 21-22 Adopted Budget* amendments, which require Board approval by Ordinance 2022-O-XX at the April 12, 2022 Board meeting:

**Fund 01- General Fund:**

It has been determined that the *IL 83/Downtown Sunset Grove (SG) Excess TIF Funds*, which include the SG municipal sales tax, NHMR sales tax, and property tax increment, are required to be deposited into specific accounts. Currently, the entirety of the SG excess TIF funds are budgeted as revenue within the General Fund account # 01-00-393.00 (Transfer In). Staff recommends the SG excess funds be deposited as follows:

SG Excess Municipal Sales Tax: \$202,407- General Fund (Account # 01-00-393.00)

SG Excess NHMR Sales Tax: \$50,602- Infrastructure Fund (Account # 30-00-393.00)

SG Excess Increment: \$143,714- TIF Fund (Account # 61-00-393.00 Transfer In)

**New Accounts:**

Expenditure: Buffalo Creek Parking Lot Maintenance # 01-41-517.05 (Budget: \$11,000)

Expenditure: Stempel Lot Parking Lot Maintenance # 01-41-517.06 (Budget \$1,000)

Revenue: Code Enforcement Fines # 01-00-353.03 (Budget \$750)

As detailed in Ordinance 2022-O-XX, the General Fund net of revenues/expenditures is currently \$517,790. The amended net of revenues/expenditures would be \$403,947 **Net change: -\$113,843.**

\*FY20-21 was the first year that the Sunset Grove portion of the TIF had excess TIF funds (municipal, NHMR, and sales tax increment) to deposit. Those funds will also need to be reviewed and allocated to their appropriate funds.

### **Fund 17- Motor Fuel Tax (MFT)**

Account # 17-00-343.00 (Motor Fuel Tax) currently has a total budgeted revenue of \$476,688, which includes all categories of MFT and Rebuild Illinois funds. Staff recommends creating new accounts for each MFT category (MFT, Trans Renewal, and High Growth) and is required to differentiate Rebuild Illinois funds with a separate account. The estimated total revenue will remain the same, but each MFT category and Rebuild Illinois funds will be identified with new accounts with an individual budget for each totaling \$476,688.

Staff recommends the addition of account # 17-41-880.09, as mandated by the State of Illinois, to document Rebuild Illinois fund expenditures. By resolution, that account is designated to pay for the \$375,000 North Krueger Road project (construction portion), which has thus far paid for \$245,629. Staff recommends budgeting \$375,000 in account 17-41-880.09 (Rebuild Illinois) for the construction costs for North Krueger Road, which will pull from this year and previous year's Rebuild Illinois allocations.

*\*Special note: Construction invoices are first paid out of the Infrastructure Fund and then reimbursed to the Infrastructure Fund with a special payment from the Rebuild Illinois Fund or designated MFT fund. The Infrastructure Fund may appear to be deficient prior to receiving payments, as those funds paid for by MFT are not budgeted within the Infrastructure Fund.*

### **Fund 30- Infrastructure Fund**

Staff recommends the following amendments within the Infrastructure Fund, which include new, unbudgeted, and transfer of accounts:

#### **New Accounts:**

- SLFRF Account: 30-00-349.08- ARPA funds that are for specific infrastructure expenditures
- Reimbursement of Expenses: 30-00-394.00
- Insurance Reimbursements: 30-00-394.06

Unbudgeted Accounts:

Approximately \$110,000 in unbudgeted capital expenses related to RPC Road, South Krueger, bridge, street scape and miscellaneous items are included in the proposed amendments. The various miscellaneous unbudgeted items are related to bridge strikes (accidents/insurance). Staff suggests further investigation of unbudgeted items related to RPC for possible TIF Fund reimbursement (see FY 21-22 Amended Budget Document notes). Account # 30-71-880.04 (Road Paving Program-expenditure) currently has a budget of \$1,761,259, which includes Stempel lot, and North Krueger. The account also includes an expenditure which has been determined to not flow through the Village (federal). Amendments will include the unbudgeted South Krueger Road expenditure of \$50,000, the North Krueger project estimated at \$185,000, and the transfer out of Stempel Road expenses to account # 30-71-860.25.

Transfers:

Account # 30-00-393.00 (revenue) amendment transfers the NHMR Sales Tax portion of the SG Excess TIF Funds from General Fund # 01-00-393.00 (Transfer In), totaling \$50,602.

Account # 30-00-389.00 (revenue) currently has a budget of 1,496,454, including Stempel Lot, federal funding that was determined to not flow through the Village, and North Krueger Road. The budget will be amended to \$345,192, which will include North Krueger Road's estimated reimbursement of \$145,192 and the Stempel Lot grant of \$200,000.

Account # 30-10-929.00 (expenditure) currently has a budget of \$45,000 which includes Checker Road Traffic Calming (\$25,000) and Village Hall remodel/Exploration \$20,000. The amended budget transfers Checker Road Traffic Calming to account number 30-41-514.01 and Village Hall Remodel Exploration to account number 30-71-820.02.

**Fund 61- TIF FUND**

Account 61-00-393.00 currently has a budget of \$74,885. Staff recommends increasing the budget to \$218,599 to accommodate the transfer/deposit of SG Excess TIF property tax increment funds of \$143,714 from account number 01-00-393.00.
