**Re: HOA's Flock Camera Usage Policy**

The Country Club Homeowner's Association and all of its homeowners will not have any direct access to any camera footage for our (2) Flock cameras. If there is an incident within Country Club Meadows, the homeowners will need to contact our police liason, Lieutenant Keith Kaiser from the Lake County Sheriff's Office, at his direct number or email. Flock Safety has already been informed and has verified that they will only give access of our (2) Flock Cameras to the Lake County Sheriff's Office.

Sincerely,

Harold Henhapl
